EMPLOYMENT

Wellmore Behavioral Health INC March 2017-Present
Program Manager- Wellmore Therapeutic Shelter

- Managed daily operations for 18 bed residential substance abuse treatment program.
- Provided direct supervision to 13 staff employees responsible for providing direct care to individuals suffering from substance use, mental health, and co-occurring disorders.
- Developed, implemented, and monitored program treatment interventions and group curriculums.
- Conducted and supervised psychosocial, diagnostic and risk assessments as well as treatment planning for individuals experiencing mental health, substance use and co-occurring disorders.

Wellmore Behavioral Health INC April 2015-June 2017
Program Manager- Adult Case Management Programs

- Managed daily operations for three grant based programs and provided direct supervision for 10 employees responsible for providing case management services to over 400 clients annually.

- Developed and implemented strategic outreach campaigns to increase program impact within catchment area. This outreach resulted in expanded contracted capacity for one program within first year of management.
- Strengthened partnerships with nonprofit, governmental, and community based organizations to increase client access to educational, housing, employment, and medical resources.
- Developed and implemented independent data tracking systems that enabled programs to comply with and exceed contractual expectations from funding sources.

Wellmore Behavioral Health INC
Case Manager- Morris Recovery House

June 2011-April 2015

- Primary case manager responsible for all clients referred by Connecticut Department of Mental Health and Addiction Services and State of Connecticut Judicial Branch.
- Provided screenings, assessments, interventions, and referrals for individuals experiencing chronic homelessness, substance dependence, and mental health issues.
- Worked extensively with Offices of the Public Defender, CSSD, and Bail Commissioners from judicial offices throughout the State of Connecticut.
- Conducted intensive case management to include treatment plan development, discharge planning, and care coordination.

United States Army
Infantry Team Leader- SGT Non-Commissioned Officer

May 2006-December 2010

- Provided training and supervision for up to 10 soldiers in garrison and combat settings.
- Promoted positive morale and welfare for soldiers under supervision.
- Provided career/personal counseling to soldiers for career/personal development.
- Ensured safety of soldiers both in garrison and combat settings.
- Identified and linked soldiers and military families to military/community resources based on individual needs.
- Assisted in development and implementation of post discharge transition plans to include linking soldiers with educational, employment, and medical resources.
