Offering Permission Numbers

Clarification on SSW’s policy: Permission numbers are used for instructor consent classes, over-enrollment and overriding requisites. Students in need of permission numbers need to request them from the instructor of the course. For instructors, step-by-step instructions on how to obtain permission numbers can be found at: https://studentadmin.uconn.edu/help/instructors-and-advisors/view-and-create-class-permission-numbers/

Procedure for Cancelling a Class

Instructors should email their students through Student Admin or HuskyCT to notify them of class cancellation. Notify OSAS (preferably by email) with the cancelled class name, date, time and building/room number. OSAS will then post a sign next to your classroom indicating the class cancellation if the instructor is unable to do so.

For Students with Academic Difficulties

If you have a student in your class that is having academic difficulties, please contact the MSW or BSW Program Director immediately—they will provide you with the name and contact information of the student’s faculty advisor for follow-up.

Posting Grades or Grade Changes

Instructors are to change grades through their student administration account – visit Student Administration’s Instructors and Advisors Guides for step-by-step instructions.
