## Higher Education Experience

2017-2023

### **UConn MSW Program, Hartford, CT**

Field Seminar: Students enrolled receive support in acquiring and utilizing tools to take advantage of field education experiences. Some topics include student's and field instructors' roles and responsibilities, support around core competencies for the effective collaboration in the development of educational contracts. This course is a required course for students in the M.S.W. program.

- Taught two field seminars each semester to a class of 10 to 12 students.
- Developed and reviewed assignments for non-attending students.
- Review and support educational contracts developed by students and field instructors.
- Review of process recordings and materials necessary to submit grades.
- Assigning field education and field seminar grades and inputting these grades into PeopleSoft system.
- Provide academic advising to students enrolled in field education and field seminar.

2014-2015

### **UConn MSW Program, Hartford, CT**

#### **Puerto Rican and Latin@ Studies Project (PRLSP)**

- Assisted project chair and faculty by updating Exelencia nomination information.
- Collaboration in drafting of Hartford Foundation grant proposal for a community leadership/mentoring program.
- Coordination of PRLSP Advisory Board events.
- Facilitating a collaboration with CT Latino Legislators.
- Kept track of work-study students' hours.
- Assigned tasks to two work-study students.
- Development of project organizational chart.

---
